GAMES PRODUCTION

PROGRAMME SUMMARY

The Level: 4 Higher National Certificate in Games Production (Creative Media Production) is a full-time, one year programme, designed to provide you with the skills to progress further in games academia or the games industry.

This programme has been structured to meet the needs of the constantly evolving games industry.

We aim to ensure that you leave with a skill set required for a career in games.

The Creative Media Production (Games) programme focuses on developing both art and design skills, which will form the foundation for producing original video games.

This programme will cover:

- An Individual Project
- Creative Media Industry
- Professional Practice
- Art Development
- Games in Context

- 3D Modelling
- Games Development Practice
- Game Design

Where can this take me?

Successful completion of a Higher National Certificate in Games Production will provide you with a range of options when it comes to your progression.

These include:

- **The option to complete the Higher National Diploma (Year 2) at Coventry College**
- Applying to University to join in Year 2 of the relevant degree
- Applying to University to study a full 3 year degree

UCAS code:
GHNC

Institution code:
C64

How will we support your progression?

Through a series of initial one-to-one tutorials, we will ascertain your preferred destination following your HNC. We will then support and guide you through the application, preparation, interview and funding stages that follow. Our lecturers have a wealth of experience to ensure our learners are well supported to progress to the very highest level in their chosen industry
