GAMES DEVELOPMENT

COURSE SUMMARY

The Computer Games industry is a target area for growth and needs intelligent, hardworking and innovative people to drive the future of gaming.

Devised by industry experts to meet the constantly evolving games industry, this programme will give you the chance to develop the skills to progress further in games academia or the gaming industry.

WHAT YOU'LL LEARN

This course has been structured to meet the needs of the constantly evolving games industry; we aim to ensure that you leave with a skill set required for a career in games.

In the first year of the course you will work towards Level 4 HNC in Games Development, which provides a foundation in the core game art, design, modelling and animation skills required within the games sector. This will allow you to progress to the second year to complete the Level 5 HND in Games Development, and develop specialised skills within your chosen games discipline.

PROGRESSION

Upon successful completion of your programme, you can progress onto:

- ▶ A BA (Hons) degree
- ▶ Employment

ENTRY REQUIREMENTS

- ▶ Two Merit grades or above in a Level 3 Extended Diploma in an Art/Graphics-based subject (equating to a minimum of 80 UCAS points)
- ▶ Or, three A-Levels with a grade 'C' or above in an Art/Graphics-based subject (equating to a minimum of 80 UCAS points)
- ▶ Desired grade 'C' or above in GCSE English and Maths
