WILL YOU FIT IN?

Access students are generally aged between 19 and 60. They are men and women and are from diverse backgrounds. Some have more recent experience of study while some have not attended school for years. You will study alongside other adults who have similar progression and career aims as you.

ENTRY REQUIREMENTS

As the Access courses involves a good deal of academic writing, it is required that you have a good level of English before you begin. You will attend an interview with a member of the teaching team. You will also need to demonstrate experience of, or willingness to, work in an educational setting.

You will also need to hold an English GCSE grade 4 (C) or Functional Skills Level 2 & Maths GCSE grade 4 (C) or Functional Skills Level 2.
