

# ESPORTS SHOWCASE

# MAKE IT COVENTRY COLLEGE

**PRO PLAYER?**

**COACH?**

**SHOUTCASTER?**

**TOURNAMENT ANALYST?**

**Esports is popular throughout the world.**

If you choose to study Esports you'll be joining a growing industry of organised competitive gaming. Our programmes will prepare you for an exciting and successful career.

# FACILITIES & TRAINING

- ▶ Top of the range gaming and editing PCs to help support the needs of the course requirements in these areas.
- ▶ Peripherals provided by our Esports sponsor, Hyper X, to provide the best gaming input, whether you're competing for one of our teams, or simply grabbing some footage for one of your assignments.
- ▶ Custom classroom to learn and gaming suite to compete, which is equipped with a sound recording room - perfect for live stream production and Shoutcasting.

## HYPER X GAMING EQUIPMENT

HYPER X

# WHAT TO EXPECT

## OPPORTUNITIES:

Our College Esports team, Coventry Crosshairs, will give you the chance to get involved with, and seek Esports opportunities and experience, whilst enhancing your learning and enjoyment of the programme. You'll join a highly successful and renowned college Esports team and represent your college in national competitions. You'll also develop your content creation, production and live streaming skills. There's an opportunity to become a shoutcaster and deliver casts for the College team.

**BE PART OF  
THE COLLEGE'S  
ESPORTS TEAM**
