

MOTOR VEHICLE SHOWCASE

MAKE IT COVENTRY COLLEGE

If you have a passion for vehicles and spend many hours tinkering under a bonnet, then a career in the motor industry is for you.

Our programmes are delivered through practical tasks and theoretical sessions. You'll benefit from a hands-on approach to motor vehicle maintenance, covering a range of subjects to give you a greater understanding of the industry.

FACILITIES & TRAINING

You'll learn in our fully equipped, industry-standard workshop, which includes facilities such as:

- ▶ 2 and 4 post ramps
- ▶ The latest 4-wheel alignment equipment
- ▶ Diagnostic equipment for fault finding
- ▶ Air conditioning charging units
- ▶ Engine rigs
- ▶ Tyre fitting equipment
- ▶ Toolboxes provided by Draper
- ▶ A range of vehicles including electric vehicles
- ▶ A low bake spray oven
- ▶ Paint mixing room
- ▶ Car-o-Liner jig
- ▶ Miracle dent pull system
- ▶ Inverter welder
- ▶ Nitrogen plastic repair equipment
- ▶ Devilbiss and Iwata spray guns
- ▶ Dedicated welding workshop with MIG, TIG and gas welding equipment

**LEARN IN OUR FULLY EQUIPPED,
INDUSTRY-STANDARD WORKSHOP**

Success Stories

CONNOR O'BRIEN

Connor completed his Vehicle Maintenance Apprenticeship with DS Motorsport and went onto secure a permanent role with them.

Connor said: "I learned on the job in a sector I really enjoy. I'm now fulfilling my passion for racing and fixing vehicles at the same time."
