

TRAVEL & TOURISM SHOWCASE

MAKE IT COVENTRY COLLEGE

Studying a Travel & Tourism programme can open up a whole world of opportunities across the globe.

In such a large and diverse sector, there are many exciting career opportunities. You could become a cabin crew member, tour guide, resort representative or even pursue a management role in events or tourism.

FACILITIES & TRAINING

FACILITIES:

- ▶ We have a mock cabin resource to simulate an on-board experience. This includes; cabin seats, overhead lockers, trolleys for food and bar service and duty free.
- ▶ The latest safety demonstration kits for learners' use in practical assessments.
- ▶ Dance studio for those wanting to pursue a career in entertainment.
- ▶ Kitchens for budding chefs.

OPPORTUNITIES:

- ▶ You'll hear from industry professionals including cabin crew, airline and airport staff, as well as those who work for the terrorism unit and language specialists.
- ▶ We have excellent links with local hotels, airports and tourist attractions, which means there are plenty of opportunities for you to undertake an industry placement.
- ▶ You'll visit the British Airways Training Centre and experience the aircraft simulator, smoke tunnel, evacuation slide and life raft.
- ▶ We offer the chance for you to take part in residential trips in the UK and overseas.
- ▶ You'll visit local airports to get a better understanding of how they operate.

WHAT TO EXPECT

AREAS OF CURRICULUM:

- ▶ Aviation Operations
- ▶ Air Cabin Crew
- ▶ Worldwide Travel
- ▶ Customer Service

OPPORTUNITIES:

All our courses include placement where learners are given the chance to work in a setting developing their competences. The teachers visit the settings and observe their practice, providing them with feedback to help them develop and improve. This has meant that we have built up some good professional relationships with local employees.

Success Stories

SAMANTA SAHOTA

Samanta completed programmes in Aviation & Cabin crew and Travel & Tourism at Coventry College and is now Cabin Crew for Jet2.

Samanta said: "The college courses were perfect for me! The facilities are great and the tutors have supported me on my journey to my dream career."

OWEN NORTON

Owen progressed through the Level 2 and 3 Travel & Tourism programmes at Coventry College and is now Cabin Crew for Jet2.

Owen said: "The best part about the programmes at Coventry College is the trips where you get to learn all about different aspects of the travel industry. I enjoyed the trip to British Airways the most."
