SUPPORTING YOUR JOURNEY

We offer a range of services to support you from your initial enquiry right up to when you've completed your programme.

APPLICATION SESSIONS

If you need support with applying for a programme or have any questions about which programme is best, you can book onto one of our application sessions. Our friendly Admissions Team will work through your application with you.

LEARNER SERVICES TEAM

The Learner Services Team are here to work with you to offer a positive wellbeing service to support your college journey. Their work encourages healthy, confident personal development alongside academic achievement.

CAREERS

Our Careers Team can provide you with advice and guidance on choosing the right programme, progression options, employment, developing your CV and preparing for interviews.

MATHS AND ENGLISH

If you haven't achieved a grade 4 in your GCSE maths and English at school you will be supported to achieve these qualifications whilst at college.

INDUSTRY PLACEMENTS

An Industry Placement is an essential part of your time at college – it's where you'll gain the essential skills that will prepare you for your first job and future career. Our Industry Placement Team will work with you to help you secure a quality placement.

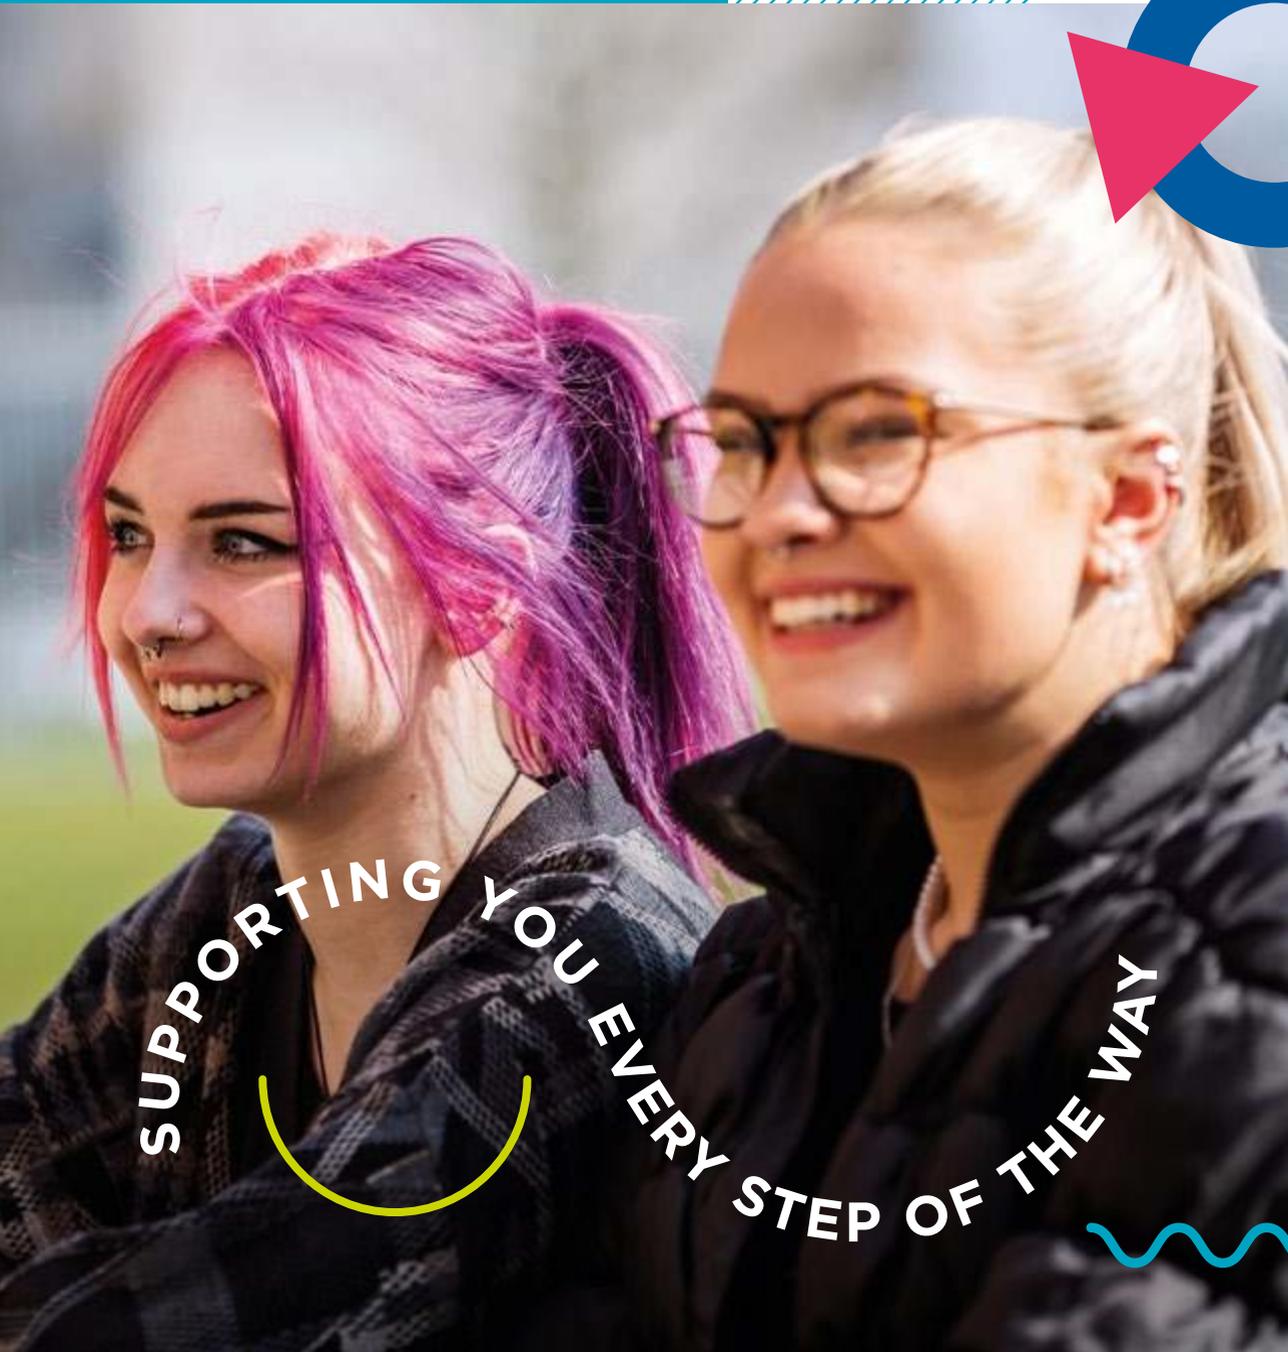

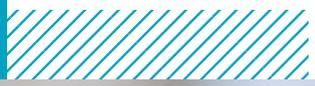

ADDITIONAL LEARNING SUPPORT

If you have additional learning needs, a disability or simply need a little extra help with your studies, our Additional Learning Support Team are here for you. The team offers everything from in-class support and mobility support to social and emotional care. We also offer facilities for those who are hard of hearing or visually impaired.

FINANCIAL SUPPORT

If you're aged between 16 and 18, your college programme will be free. Depending on your circumstances you may be entitled to access a Government bursary to help with the cost of travel, food, learning materials, childcare or programme specific kit and uniforms.

WHICH LEVEL IS BEST FOR YOU?

WHAT YOU'LL NEED ▶▶▶

ENTRY LEVEL ▶

No formal qualifications needed.

LEVEL 1 ▶

2 GCSEs at grade 2 or above
Or
An Entry Level qualification.

HOW & WHAT YOU'LL LEARN

Practical, hands-on learning that'll develop your skills, knowledge and confidence.

Hands-on learning that will provide you with an introduction to an industry or programme area of interest.

WHAT YOU'LL STUDY ▶▶▶

Your chosen subject at Entry Level plus English and maths.

Your chosen subject at Level 1 plus English and maths if you have not already achieved these.

DURATION

1 YEAR

1-2 YEARS

PROGRESSION

▶ Level 1
▶ Employment

▶ Level 2 Diploma
▶ Employment

We offer programmes for learners at all levels, no matter what your previous qualifications, experience or ability level. Our aim is to help you achieve your full potential.

Don't worry if you don't meet the exact entry requirements – these are a guide, and we'll always consider experience and previous achievements to help you find a programme that's just right for you.

*Science and Engineering will also require a grade 4 or above in Science.

If you have any questions please email: hello@coventrycollege.ac.uk
or use the **chat function** on our website: www.coventrycollege.ac.uk

VOCATIONAL QUALIFICATIONS

All of the programmes that we offer at Coventry College are vocational qualifications. But what does this actually mean?

Vocational qualifications have been developed by employers, to ensure that you develop the skills and experience needed for the working world and the industry you choose. These courses will also give you a competitive edge when applying for jobs as you will develop the specific skills that employers are looking for.

- ▶ Great if you have a career in mind
- ▶ Suit those that prefer practical learning
- ▶ Highly respected by employers and universities
- ▶ Carry the same UCAS points as A Levels
- ▶ Get work experience and on-the-job training

TRAINING

T-LEVELS

THE NEXT LEVEL QUALIFICATION

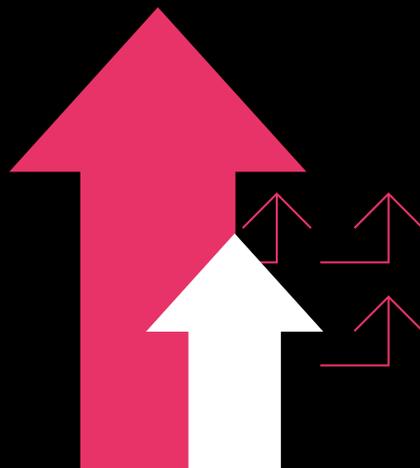

T LEVELS AT COVENTRY COLLEGE

A T Level is a nationally recognised qualification that is worth the same number of UCAS points as **3 A levels** and is accepted by universities.

They bring classroom learning and an extended industry placement together on a programme designed with businesses and employers. **You'll spend 80% of your time in the classroom and 20% on a placement with an employer** to give you the skills and knowledge companies look for.

T Levels are ideal if you have finished your GCSEs and want the knowledge and experience to get straight into employment, further training or Higher Education.

UNIFORMED PUBLIC SERVICES

UNIFORMED PUBLIC SERVICES

Want to make an impact in your community? Our programmes will give you an in-depth understanding of the essential skills and knowledge required to work in the public services, whether you opt for a career in the armed forces, police, fire, ambulance service or in your community.

Our tutors have a wide range of experience in the sector, so you'll receive expert training in areas such as citizenship, government policies, health and fitness, leadership, and teamwork. You'll also learn about command and control, responding to emergency situations and policies.

REAL-WORLD LEARNING

Our state-of-the-art facilities at The Alan Higgs Centre are where you'll develop your skills - they include a 50-metre Olympic swimming pool and indoor and outdoor 3G pitches.

We work closely with many public service employers including the Army, Marines, West Midlands Police, UK Border Force, the Fire Service, Territorial Army, and Riot Police, meaning there's plenty of opportunity to hear from the professionals, undertake work placements, and get involved in events.

CAREER PROSPECTS

- ▶ Police Officer
- ▶ Prison Service Officer
- ▶ Fire Officer
- ▶ Army, RAF or Navy Officer
- ▶ Ambulance Service
- ▶ Community Worker

“Without my tutor's input, advice and support I wouldn't have been able to complete the Army's initial training. I would recommend this programme to anyone who is thinking about a career in the armed service.”

WHAT'S

NEXT?

YOUR JOURNEY

WITH US

1

COME TO AN OPEN EVENT

Find out more about our programmes, check out our facilities and learn about life at Coventry College.

2

APPLY

Once you know what you want to study you can apply online or at one of our Application Sessions (see page 9 for information). It's best to apply as early as possible to secure your place. You have the option to apply for more than one programme or college.

3

INTERVIEW

Once you've applied you'll be invited to an interview. You may be asked to attend an audition or submit a portfolio of work, depending on the programme you've applied for. At your interview we'll make sure the programme you've applied for is right for you.

4

OFFER

If you're successful at interview you'll be offered a place at Coventry College.

You don't have to accept your offer right away but please let us know as soon as you've made your decision, to give you the best chance of getting a place on the programme you want.

COV FEST

Look out for your invite to **CovFest**. This is an event where you'll be able to **meet your tutors** and **other new learners** before you **start in September!**

5

GCSE RESULTS DAY

If on the big day your results are as expected then you can enrol onto your programme as planned. If you haven't done as well as you expected - **don't worry**. You can get in touch with us and we'll work with you to find a programme that's just right.

6

ENROLMENT

You'll be invited to book an enrolment slot. This is where you'll complete all the necessary paperwork, so **you can start your programme in September**.

START YOUR PROGRAMME
