At the end of the application what must I do?

- Make sure you click on the Submit button to send your application to Student Finance England.
- After you have submitted your application make sure that you print off, sign and post the DECLARATION FORM and any supporting evidence required by Student Finance England to the address on the form within 45 days or your application will be cancelled.
- It is advisable to send this by Recorded Delivery.

I am struggling with my application, what can I do?

Telephone the Student Finance England helpline on **0300 100 0607**

What happens to my application?

Student Finance England process your application and if approved they send you a Loan Entitlement Letter which sets out the loans and grants you are eligible for and expected payment dates to you and to the college. You must bring this letter to college when you enrol on your course.

I need some further advice about Higher Education Funding, who can I contact?

- The Student Finance England helpline above.
- The Funding Teams at both Henley and City Campuses; Henley Funding Team can be emailed on studentfunding@coventrycollege.ac.uk and the City Funding Team at info@coventrycollege.ac.uk

I am still struggling financially, what can I do?

After you have applied for your full loan and grant entitlement from Student Finance England you can contact the Funding and Welfare Team for information and an application form for the Student Opportunity Fund.

Is there anything else I need to be aware of?

- If you leave your Higher Education course for any reason you will still be responsible for payment of the full course fees to Coventry College.
- You should inform Student Finance England that you have left your course to stop any further loan payments.
- You are normally entitled to up to 4 years' higher education funding, further advice on this can be had from Student Finance England.
